

The Church budget is more than just a set of numbers relating to ministry expenses. The Church Budget should reflect the annual mission plan for the church and is one of the most important documents at Tabernacle Baptist Church. We hope you prepare your request prayerfully and thoughtfully to best carryout your particular ministry's mission.

Please think ahead. Throughout each year you should begin compiling a list of expenditures in which your ministry will require for the next fiscal year. Please email me at charrissapowell@tbcgastonia.org to request a copy of your current or prior year expenses.

This form can be completed online at tbcgastonia.org. Please email or deliver it to me (or you may place it in my mailbox) no later than September 26th. If the budget team is not in receipt of the request by the time mentioned above, your ministry may suffer from not being budgeted or may be placed under the direction of the budget team.

If you have any questions, please feel free to contact me at charrissapowell@tbcgastonia.org.

Vision Statement

We are committed to expanding God's Kingdom by impacting the world through the Gospel of Jesus Christ.

Mission Statement: To Exalt God through Christ, equip the saints, evangelize the lost, and empower humanity; to be intentional in creating a culture of excellence that is inviting and exciting to all generations by exemplifying Christ to the World.

How does your ministry fit into the overall mission of the church? Develop goals and a budget that will help achieve the mission. Review the mission statement so that you understand each facet of the mission.

What objectives does your ministry wish to accomplish next year? Some of those objectives may be stand alone objectives and others may be continuations of objectives begun in previous years. Each objective must be tied directly back to part of the mission statement; if it cannot then we need to revise the goals.

Please answer: What is your part in the mission of the church (see example below).
